FLAMELESS CANDLES

[www.eledea.eu](http://www.eledea.eu)

## THE LED REVOLUTION

---

Eledea Flameless Candles are leading the way in candlelit convenience with a collection of gently-flickering, mood-setting, family-friendly candles to light up any occasion. Spruce up any space with a choice of assorted pillar candles, sophisticated taper candles, charming tealight candles and an innovative remote control accessory to help set the mood at the click of a button.

So much more than just a candle, the real wax Eledea Flameless Candle helps to create a peaceful and welcoming ambiance in any home, hotel or restaurant with the added benefit of ensuring a clean, wax, and smoke-free environment. They do not become hot to the touch, the LED flame cannot burn or catch alight, and they are easy to move around from one room to another without fear of dripping wax or extinguishing the flame. Safe for the whole family to enjoy.

## FOR EVERY OCCASION

---

From romantic dinners to elaborate celebrations, drinks in the garden or a relaxed game around the coffee table, a little bit of candlelight can add a whole lot of extra... to any occasion. Simply lay the table, invite your guests, and have fun mixing and matching your favourite LED candles; from tapers to tealights and pillars in a range of different sizes.

## INFINITE HOURS OF CANDLELIGHT

---

Lighting up homes, creating dreamy atmospheres, and doing so in a safe and affordable way... it's all part of Eledea Flameless Candle allure. And with over 80 hours of burn time from our tealight candles, more than 200 hours from our Taper Candles and up to 400 hours from our Pillar Candles, our range of Eledea Flameless Candles is guaranteed to give you hours and hours of candle-lit pleasure.

## PILLAR CANDLES

Add atmosphere to any setting. Eledea Pillar Candles have been designed to recreate the ambience of traditional candlelight without any of the safety risks associated with regular candles. These pillars work beautifully as individual pieces or in clusters of alternating heights, depending on the aesthetic you'd like to create in your space.

6 x AA batteries (2 per pillar - not included)

400+ hours burn time

Smooth finish

**Sold in pack of 4**

\*Remote control sold separately and included in Box Sets

## TAPER CANDLES

Whether you're adding the finishing touch to a bedside table, or setting the mood for a meal, the simple elegance of a single Eledea Flameless Candle is all you need to create the ideal setting. Designed to add all the charm without any of the risks: no harmful toxins and no hot wax; they're the perfect choice for any occasion.

2 x AAA batteries (2 per candle - not included)

200+ hours burn time

Smooth finish

Unscented

3D LED Flame

Sold in pack of 2

\*Remote control sold separately and included in Box Sets

## REMOTE CONTROL

Switch it on, dim it down, turn it off, repeat. Experience convenience at your fingertips with our innovative remote control accessory that lets you control the length of time your candle stays on, as well as how bright or dim you need it. Setting the mood is as easy as clicking a button. Choose from the different timer options of 2, 4, 6 and 8 hours.

Made from HIPS Plastic

Available in Black

Uses 1 x CR2025 battery (included)

## FUNCTIONAL BEAUTY

Flameless. Smokeless. Effortless. These are just some of the innovative benefits from our range of Eledea Flameless Candles – the perfect accompaniment to any setting. The 3D LED flame cannot burn or catch alight, which makes them easy to move from table to bar counter to shelf, without worrying about dripping wax, burning fabrics, or hot hands. No flames. No worries. Just wonderfully warm candlelight.
